Terms and Conditions

The following Terms and Conditions contain significant agreements involving all users of ECC Online Application System. We therefore advise you to please review these terms and conditions carefully and indicate whether you agree or disagree to them by clicking on the corresponding box towards the end of this document. All the terms "You", "Your" and "Yours" will refer to the ECC Online Application System user. The terms "We", "Us" and "Our" refer to EMB-DENR. The words "System" refer to ECC Online Application System. The word "System" refers to ECC Online Application System. Your Username is the email address that you have provided in the registration page. The phrase "your access" or "system account" refers to the combination of your email address and password that you have registered in the system. The term "username" and "email address" will be used interchangeably to refer to the set of characters that you use to access the system.

1. USER ACCESS

1.1. When you choose and click on "I Agree," you are construed by us as signifying your confirmation that you have read and understood ECC Online Application System's Terms and Conditions and that you unconditionally bind yourself to all terms and conditions herein. In the event that your availment of a service, facility, or benefit of ECC Online Application System will violate or result in the violation of your agreement with EMB-DENR, you will not avail yourself of such service, facility or benefit of ECC Online Application System.

1.2. EMB-DENR has the sole discretion to give you access to ECC Online Application System with your use of an Internet-enabled computer, approved browser, your username/email account and password.

1.3. However, some or all of the services of ECC Online Application System may not be available at certain times due to system maintenance and/or computer, telecommunication, electrical or network failure or any other reasons beyond our control. EMB-DENR will not be liable to you nor will it have to explain the

○ I have read, understand and agreed with the foregoing terms and conditions
